Sec. 3. (1) The governing body of a local governmental unit by resolution may designate 1 or more neighborhood enterprise zones within that local governmental unit. Except as otherwise provided in this subsection, a neighborhood enterprise zone shall contain not less than 10 platted parcels of land. A neighborhood enterprise zone located in a qualified downtown revitalization district may contain less than 10 platted parcels if the platted parcels together contain 10 or more facilities. All the land within a neighborhood enterprise zone shall also be compact and contiguous. Contiguity is not broken by a road, right-of-way, or property purchased or taken under condemnation if the purchased or condemned property was a single parcel prior to the sale or condemnation.

(2) The total acreage of the neighborhood enterprise zones containing only new facilities or rehabilitated facilities or any combination of new facilities or rehabilitated facilities designated under this act shall not exceed 15% of the total acreage contained within the boundaries of the local governmental unit. The total acreage of the neighborhood enterprise zones containing only homestead facilities designated under this act shall not exceed 10% of the total acreage contained within the boundaries of the local governmental unit or, with the approval of the board of commissioners of the county in which the neighborhood enterprise zone is located if the county does not have an elected or appointed county executive or with the approval of the board of commissioners and the county executive of the county in which the neighborhood enterprise zone is located if the county has an elected or appointed county executive, 15% of the total acreage contained within the boundaries of the local governmental unit.

(3) Not less than 60 days before the passage of a resolution designating a neighborhood enterprise zone or the repeal or amendment of a resolution under subsection (5), the clerk of the local governmental unit shall give written notice to the assessor and to the governing body of each taxing unit that levies ad valorem

property taxes in the proposed neighborhood enterprise zone. Before acting upon the resolution, the governing body of the local governmental unit shall make a finding that a proposed neighborhood enterprise zone is consistent with the master plan of the local governmental unit and the neighborhood preservation and economic development goals of the local governmental unit. The governing body before acting upon the resolution shall also adopt a statement of the local governmental unit's goals, objectives, and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within the proposed neighborhood enterprise zone. Additionally, before acting upon the resolution, the governing body of a local governmental unit with a population greater than 20,000 shall pass a housing inspection ordinance. A local governmental unit with a population of 20,000 or less may pass a housing inspection ordinance. Before the sale of a unit in a new or rehabilitated facility for which a neighborhood enterprise zone certificate is in effect, an inspection shall be made of the unit to determine compliance with any local construction or safety codes and that a sale may not be finalized until there is compliance with those local construction or safety codes. The governing body shall hold a public hearing not later than 45 days after the date the notice is sent but before acting upon the resolution.

(4) Upon receipt of a notice under subsection (3), the assessor shall determine and furnish to the governing body of the local governmental unit the amount of the true cash value of the property located within the proposed neighborhood enterprise zone and any other information considered necessary by the governing body.

(5) A resolution designating a neighborhood enterprise zone, other than a zone designated under subsection (2), may be repealed or amended not sooner than 3 years after the date of adoption or of the most recent amendment of the resolution by the governing body of the local governmental unit. The repeal or amendment of the resolution shall take effect 6 months after adoption. However, an action taken under this subsection does not invalidate a certificate that is issued or in effect and a facility for which a certificate is issued or in effect shall continue to be included in the total acreage limitations under this section until the certificate is expired or revoked.

(6) A resolution designating a neighborhood enterprise zone in an obsolete property rehabilitation district that was created by a local unit of government on June 6, 2003, and for which the state tax commission issued obsolete property rehabilitation certificates on August 26, 2003, and September 24, 2003 will cause any previous certificate to expire on the December 30 immediately preceding the December 31 on which the first neighborhood enterprise zone certificate is effective. The taxable value of the parcel shall be calculated using the value of the parcel before the building permit was issued. This subdivision authorizes an amended obsolete property rehabilitation certificate approved by the state tax commission for the portion of the parcel contained in the original certificate for which an application for a neighborhood enterprise zone certificate was not submitted.

(b) Five-eighths the number of mills levied for operating purposes by the county in which the neighborhood enterprise zone is located multiplied by the current taxable value of the facility not including the land.

(c) The total number of mills collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, for the current year by all taxing jurisdictions within which the facility is located excluding the number of mills levied for operating purposes by the local governmental unit and county in which the facility is located multiplied by the current taxable value of the facility not including the land.

(7) In the year before the year in which the neighborhood enterprise zone certificate expires for a homestead facility, for a new facility or a rehabilitated facility in which the neighborhood enterprise zone certificate was issued after December 31, 2005, or for a new facility or a rehabilitated facility in which the neighborhood enterprise zone certificate was extended 3 years under section 12(1), the neighborhood enterprise zone tax is the sum of all the following:

(a) Three-fourths the number of mills levied for operating purposes by the local governmental unit in which the neighborhood enterprise zone is located multiplied by the current taxable value of the facility not including the land.

(b) Three-fourths the number of mills levied for operating purposes by the county in which the neighborhood enterprise zone is located multiplied by the current taxable value of the facility not including the land.

(c) The total number of mills collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, for the current year by all taxing jurisdictions within which the facility is located excluding the number of mills levied for operating purposes by the local governmental unit and county in which the facility is located multiplied by the current taxable value of the facility not including the land.

(8) In the year in which the neighborhood enterprise zone certificate expires for a homestead facility, for a new facility or a rehabilitated facility in which the neighborhood enterprise zone certificate was issued after December 31, 2005, or for a new facility or a rehabilitated facility in which the neighborhood enterprise zone certificate was extended 3 years under section 12(1), the neighborhood enterprise zone tax is the sum of all the following:

(c) The total number of mills collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, for the current year by all taxing jurisdictions within which the facility is located excluding the number of mills levied for operating purposes by the local governmental unit and county in which the facility is located multiplied by the current taxable value of the facility not including the land.

(9) The neighborhood enterprise zone tax is an annual tax, payable at the same times, in the same installments, and to the same officer or officers as taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, are payable. Except as otherwise provided in this section, the officer or officers shall disburse the neighborhood enterprise zone tax received by the officer or officers each year to the state, cities, townships, villages, school districts, counties, and authorities at the same times and in the same proportions as required for the disbursement of taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157. To determine the proportion for the disbursement of taxes under this subsection

and for attribution of taxes under subsection (11) for taxes collected after June 30, 1994, the number of mills levied for local school district operating purposes to be used in the calculation shall equal the number of mills for local school district operating purposes levied in 1993 minus the number of mills levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, for the year for which the disbursement is calculated. Local tax collection officers shall disburse the proceeds of the neighborhood enterprise zone tax collected on homestead facilities under subsection (5) and on homestead facilities, new facilities, and rehabilitated facilities under subsections (6), (7), and (8) each year to the state, cities, townships, villages, school districts, counties, and authorities in an amount equal to the sum of the proceeds of the neighborhood enterprise zone tax collected on the facility multiplied by a fraction in which the numerator is the number of mills levied by the taxing unit that was used to calculate the specific tax on the facility and the denominator is the total number of mills levied by all the taxing units that was used to calculate the specific tax in which the property is located.

(10) An intermediate school district receiving state aid under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, of the amount that would otherwise be disbursed to or retained by the intermediate school district, all or a portion, to be determined on the basis of the tax rates being utilized to compute the amount of state aid, shall be paid to the state treasury to the credit of the state school aid fund established by section 11 of article IX of the state constitution of 1963. If and for the period that the state school aid act of 1979, 1979 PA 94, MCL 388.1601 to 388.1772, is amended or its successor act is enacted or amended to include a provision that provides for adjustments in state school aid to account for the receipt of revenues provided under this act in place of exempted ad valorem property tax, revenues required to be remitted or returned to the state treasury to the credit of the state school aid fund shall be distributed instead to the intermediate school districts. If the sum of any industrial facility tax levied under 1974 PA 198, MCL 207.551 to 207.572, the commercial facilities tax levied under the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668, and the neighborhood enterprise zone tax paid to the state treasury to the credit of the state school aid fund that would otherwise be disbursed to the intermediate school district exceeds the amount received by the intermediate school district under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, the department of treasury shall allocate to each eligible intermediate school district an amount equal to the difference between the sum of the industrial facility tax, the commercial facilities tax, and the neighborhood enterprise zone tax paid to the state treasury to the credit of the state school aid fund and the amount the intermediate school district received under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681.

(11) For neighborhood enterprise zone taxes levied after 1993 for school operating purposes, the amount that would otherwise be disbursed to a local school district shall be paid instead to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(12) The officer or officers shall send a copy of the amount of disbursement made to each unit under this section to the commission on a form provided by the commission. The neighborhood enterprise zone tax is a lien on the real property upon which the new facility or rehabilitated facility subject to the certificate is located until paid. The continuance of a certificate is conditional upon the annual payment of the neighborhood enterprise zone tax and the ad valorem tax on the land collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157.

(13) If payment of the tax under this act is not made by the March 1 following the levy of the tax, the tax shall be turned over to the county treasurer and collected in the same manner as a delinquent tax under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157.

(14) A homestead facility, a new facility, or a rehabilitated facility located in a renaissance zone under the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, is exempt from the neighborhood enterprise zone tax levied under this act to the extent and for the duration provided pursuant to the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, except for that portion of the neighborhood enterprise zone tax attributable to a special assessment or a tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff. The neighborhood enterprise zone tax calculated under this subsection shall be disbursed proportionately to the local taxing unit or units that levied the special assessment or the tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff.

207.781 Revocation, expiration, or extension of certificate; rescission of revocation.

Sec. 11. (1) Upon receipt of a request by certified mail to the qualified assessing authority by the holder of a neighborhood enterprise zone certificate requesting revocation of the certificate, the qualified assessing authority by order shall revoke the certificate.

(2) The certificate shall expire if the owner fails to complete the filing requirements under section 10 within 2 years of the date the certificate was issued. The holder of the certificate may request in writing to the qualified assessing authority a 1-year automatic extension of the certificate if the owner has proceeded in good faith with the construction or rehabilitation of the facility in a manner consistent with the purposes of this act and the delay in completion or occupancy by an owner is due to circumstances beyond the control of the holder of the certificate. Upon request of the governing body of the local governmental unit, the qualified assessing authority shall extend the certificate if the new facility has not been occupied.

(3) The certificate for a homestead facility or new facility is automatically revoked if the homestead facility or new facility is no longer a homestead as that term is defined in section 7a of the general property tax act, 1893 PA 206, MCL 211.7a. However, if the owner or any subsequent owner submits a certificate before the revocation is effective, the qualified assessing authority, upon application of the owner, shall rescind the order of revocation. If the certificate is submitted after revocation of the certificate, the qualified assessing authority, upon application of the owner, shall reinstate the certificate for the remaining period of time for which the original certificate would have been in effect.

(4) If the owner of the facility fails to make the annual payment of the neighborhood enterprise zone tax and the ad valorem property tax on the land under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, the qualified assessing authority by order shall revoke the certificate. However, if payment of these taxes is made before the revocation is effective, the qualified assessing authority, upon application of the owner, shall rescind the order of revocation. If payment of these taxes and any subsequent ad valorem property tax due on the facility is made after revocation of the certificate, the qualified assessing authority, upon application of the owner, shall reinstate the certificate for the remaining period of time for which the original certificate would have been in effect.

(5) If a homestead facility, a new facility, or a rehabilitated facility ceases to have as its primary purpose residential housing, the qualified assessing authority by order shall revoke the certificate for that facility. A new or rehabilitated facility does not cease to be used for its primary purpose if it is temporarily damaged or destroyed in whole or in part.

(6) If the governing body of a local governmental unit determines that a homestead facility, a new facility, or a rehabilitated facility is not in compliance with any local construction, building, or safety codes and notifies the qualified assessing authority by certified mail of the noncompliance, the qualified assessing authority by order shall revoke the certificate.

(7) The revocation shall be effective beginning the December 31 following the date of the order or, if the certificate is automatically revoked under subsection (3), the December 31 following the automatic revocation. The qualified assessing authority shall send by certified mail copies of the order of revocation to

the holder of the certificate and to the assessor of that local governmental unit, and to the legislative body of each taxing unit that levies taxes upon property in the local governmental unit in which the new facility or rehabilitated facility is located.

207.782 Duration of certificate.

Sec. 12. (1) Except as otherwise provided in this section, unless earlier revoked as provided in section 11, a neighborhood enterprise zone certificate issued before January 1, 2006 shall remain in effect for 6 to 12 years and a neighborhood enterprise zone certificate issued after December 31, 2005 shall remain in effect for 6 to 15 years from the effective date of the certificate as determined by the governing body of the local governmental unit. The governing body of a local governmental unit that issued a neighborhood enterprise zone certificate for a new facility or a rehabilitated facility before January 1, 2006 may extend the certificate for an additional 3 years if the extension is approved by resolution before the original neighborhood enterprise zone certificate expires or after the original certificate expires if the certificate expired on or after January 1, 2004 and on or before January 3, 2006. If the homestead facility, new facility, or rehabilitated facility is sold or transferred to another owner who otherwise complies with this act and, for a homestead facility or a new facility, uses the homestead facility or the new facility as a principal residence, the certificate shall remain in effect.

(2) If a rehabilitated facility was sold before December 29, 1994 and a certificate was in effect for that facility at the time of the sale, and the new owner of the rehabilitated facility otherwise complies with this act, the certificate shall be reinstated and remain in effect for the remainder of the original period described in subsection (1), unless earlier revoked under section 11.

(3) Except as provided in subsection (4), a change in ownership of a rehabilitated facility constituting all or a portion of a qualified historic building, occurring after the effective date of a neighborhood enterprise zone certificate for that rehabilitated facility, shall not affect the validity of that neighborhood enterprise zone certificate, and the certificate shall remain in effect for the period specified in this section as long as the rehabilitated facility has as its primary purpose residential housing.

(4) Unless revoked earlier as provided in section 11, a neighborhood enterprise zone certificate in effect for a rehabilitated facility constituting all or a portion of a qualified historic building shall remain in effect for 11 to 17 years from the effective date of the certificate as determined by the governing body of the local governmental unit. However, if a rehabilitated facility constituting all or a portion of a qualified historic building is not transferred or sold to a person who will own and occupy the rehabilitated facility as his or her principal residence within 12 years of the effective date of the neighborhood enterprise zone certificate, the neighborhood enterprise zone certificate is revoked.
