

Grand Rapids Fire Department

We are currently seeking individuals who are interested in working in several different areas of the Fire Department as an Intern. Applicants must be currently enrolled or have been enrolled within the last 6 months of a College or University and may use their experience for course credit if accepted at their College.

Volunteer for an Internship

We offer a flexible schedule, length of internship and will do our best to match internship duties to correspond with your current studies or future job prospects which may also help with your future resume. Although all positions are unpaid, some Institutions offer incentives or grants to assist you, please check with your school for that information.
